APRIL MEETING

Don McBride treated the April attendees to two excellent shows. First was a return trip to Avoriaz and Tigne and this was followed by a real change of pace -- TAHITI! Those of us lucky enough to have been there saw some of the finest slides ever viewed at a PVS meeting. For those of you who stayed home -- eat your heart out.

Congratulations to the new club directors: Bob Gell, Charley Liu and Art Topping.

Thanks for a job well done to outgoing directors:- Kirk Burns and Pete Lang.

TOOT PUBLICATION

Editorship of TOOT is currently in the hands of EXCOM. An editor is needed -- anyone interested?

Our thanks to Diane Broadhurst for her work as editor for the past several months.

TOOT publication has traditionally been a monthly event. This year we are attempting to schedule activities far enough in advance so that the TOOT need only be printed quarterly or thereabouts. Lack of advance notice to many events has been a problem which we are trying to correct. Special notices between TOOT editions will be mailed to members should a non-scheduled event come up. Also, don't be bashful about calling any of the club officers for information or sponsorship for an activity you think PVS might enjoy.

INTERNATIONAL DINNER - MAY 19

This is the second notice for this event - details are in last month's TOOT. Limited to the first 38 people who call, you may have waited too long. Call Pat Cope (836-5436) for reservation and food contribution.

TRIP LEADER'S SEMINAR - JUNE 5

The Deighton's are hosting this get together of all prospective trip leaders. Our purpose is to help people plan successful trips and avoid pitfalls. This meeting is open to all interested members and your attendance is encouraged. PVS sponsored trips for the upcoming winter season will also be covered. The time to prepare and plan for the 73/74 season is NOW.

TENNIS - EVERY SUNDAY

For reservations, call Max Bunnel - 527-0802, or Hank Thomas - 931-6176. Tennis is held every Sunday morning from 10-12. The cost is \$1.50 per person and the place is Haines Point. REMEMBER -- call first to reserve a spot or you may be left out of the action.

SUMMER SAILING

Although our calendar shows only one sailing trip, Kirk Burns is an active sailor and plans to have several outings this season. Call Kirk for details - 256-4443.

STEAK AND SWIM - JULY 21

The Elrod's are just back from a trip around the world and are anxious to renew old friendships. What better way than a steak feed and swim party. Reservations are requested prior to July 17. All you bring is your plate, knife, fork and swim suit. Cost will be prorated for the food. Beer will be supplied at \$1.00 per person for all you can drink. If you don't like

(Cont'd on page 3, column 2)

RAFT TRIP - AUGUST 11-12

A repeat of last year's famous outing. Call the Deighton's to reserve your spot. 424-5707

CONGRATULATIONS

A new PVS'er born to the Deighton's on Friday the 13th. Trevor Andrew interrupted Sandie's mailing of the TOOT but we'll forgive him if he comes to the steak and swim.

NEW MEMBERS?

Bring a skier to a PVS event. The club can always use a new and fresh approach to running things.

There are several of you applicants who joined PVS to qualify for the French Alps trip. This is fine but active skiers such as yourselves are the type of people this club has grown on and we would like you to upgrade your status to full membership.

Come to the PVS events and get to know the other members.

beer, then BYOB.

Malda needs some help with preparing the salad and potatoes. She will certainly appreciate it and you'll get much more enjoyment out of this event by helping. 703 221-7014

Tossed salad.
